

*6<sup>th</sup> Annual*

# Dallas Masonic Lodge

## *Golf Fundraiser*

“Regardless of where we live, our community at large can only be as good as our individual willingness to get involved in the effort to make it better. This golf fundraiser is an excellent example of the willingness of both companies and individuals getting involved to make our communities a better place for our children to grow up in. Again this year, the fundraiser was a record breaking success generating the funds necessary for the Lodge to continue to support all the charitable activities we are known for. The Generosity of the ALP family and its partnered vendors was once again amazing and truly appreciated. This event continues to grow year after year with new folks getting involved each year. This year’s (our 6th annual) event brought people from CH Robinson as far away as Grand Rapids Michigan to support this cause as well as all our other loyal supporters around the southeast. Special thanks goes to Matt Hall and Bruce Redford with ALP for all their hard work helping to put this event together and to Susan Lightcap with Ryerson for being overly generous had some really great door prizes again this year thanks to the efforts of SGT Keith Thomas of the Paulding County Sheriff’s office. I also really appreciate my boss Jim Moyd for being patient with me here at work while I work on this event. I am most grateful to all the folks that took the time to be involved with this event in any way. Time cannot be manufactured and is far too precious to waste so THANKS TO ALL FOR YOUR TIME AND A LIFE WELL LIVED.”

*Charles Phillips*

Dear Brother Charles,

On behalf of the Lodge I extend our heartfelt thanks to you, your company, and your partnered vendors listed on the next page, as well as many individuals not listed, who gave so generously of their time and resources in organizing and participating in this golf fund raising event.

The donations we received from you and your partnered vendors will allow us to expand the charitable endeavors of the Lodge. As you know, our primary charity is The Masonic Home in Macon, GA. This is a non-profit organization supported by the Masons of Georgia. It provides a loving, safe environment for, at present, 31 children whose healthy lives might otherwise be at risk. Eligibility requirements are similar to those of the well-known Shriner Burn Hospitals across the country: parental/guardian Masonic affiliation is not a consideration. <http://www.masonichomeofgeorgia.com/>

In addition, the Lodge helps support Helping Hands, Inc., as well as the county-wide Backpack Program, which provides backpacks and lunches to children across the county who are in need.

It has been a tradition of all Freemasons from time immemorial, both as individuals and as a Lodge, to contribute to the relief of those less fortunate, or in sickness, or in need. It has also been a tradition to do so, many times, without fanfare or recognition. We will utilize the donations from you and your vendors to continue that tradition.

The Lodge as a group continues to be impressed by the generosity of your vendors. It was inspiring to listen to you last week as we spoke about this, and how you described to me the relationship that exists between your partnered vendors and A.L.P. Lighting Components, Inc. – that it goes way beyond simply day-to-day business transactions and most often turns into a very special business/*friend* relationship. How gratifying that must be, and really, how rare, in the hustle bustle world of business. It speaks volumes of the **corporate character** of ALP and its partnered vendors.

Please express our thanks to all of them.

To you, Brother Charles, we extend the Hand of Brotherly Love and Friendship. Well done!

Fraternally,

*Tony*
