

DALLAS MASONIC LODGE GOLF FUNDRAISER A HUGE SUCCESS — AGAIN!

Dallas Masonic Lodge No. 182 held its 5th Annual Golf Fundraiser on May 17th, 2015, at The Lion Golf Club in Bremen Ga. Again this year, it was a great success, generating the funds necessary for our continued support of local school Back Pack programs, the Masonic Children's Home in Macon, and many other very worthwhile, helping projects.

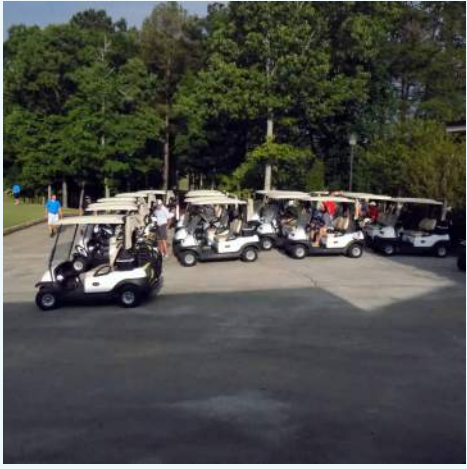

As in the past five years, the event was spearheaded by **Brother Charles Phillips**. "The success of this event year after year is due to the support of the **ALP** company owners, managers and employees as well as over 46 of its partnered suppliers", said Phillips. "We had golfers travel from as far away as Virginia, North Carolina Alabama and Florida to attend this event. The time and resources these companies and people donate to this cause continues to be amazing. Thank you for supporting our Lodge, kids, brothers and sisters today for it gives rise to hope for a better world tomorrow. A special thanks to **Matt Hall** and **Bruce Redford** with **ALP** for all their hard work. **Susan Lightcap** and **Bob Brelsford** with **Ryerson** for being overly generous and **Keith Thomas** with the **Paulding County Sheriff's Department** for providing some great door prizes. We look forward to planning another great event in 2016. "

"The success of this event year after year is due to the support of the ALP company owners, managers and employees as well as over 46 of its partnered suppliers..."
