A day at the Circus!

The 74th Annual Shrine Circus just ended Memorial Day at Jim R. Miller Park.

Dallas Lodge #182 had the pleasure and privilege of escorting 2 girls from the Masonic Home of Georgia located in Macon to the World's Largest Shrine Circus.

They started with fried Oreos as soon as the Midway opened at noon.

We left the Midway long enough to go watch the show under the Big Top. The show had tigers, horses, trapeze acts, motorcycles in a ring of fire with the elephant closing the show.

A major part of the circus are the clowns. Yaarab Shrine Temple has the first and oldest shrine clown unit in North America.
